I.B.A. 2015

CHAMPIONSHIPS

MARCH 14, 2015

Congratulations to the eight teams that will be playing in this year's championship games. Your hard work and dedication has paid off. You will have the opportunity to experience something that many players do not get the chance to do that is to play in an I.B.A. championship game. This will be an experience you will not soon forget. Once again congratulations and good luck.

This program would not be the success that it is without the many volunteers whose hard work and long hours makes this the best program around. I would like to thank the coaches for their effort and positive influence that they give to their players, as well as our leagues commissioners Brian Wypasek and Loraine Rackoczy. I would like to give a big thank you to the ones who help keep the I.B.A. hydrated and feed, Bonny McDaniel, Dave Rackoczy, Bill and Donna Woods without your help the I.B.A. would be running on empty.

I would like to wish the eighth graders good luck as they move on to their next stage in life. It has been a pleasure having you participate in the I.B.A. I hope all that you dreams some true and look forward to having you stop back and let us know how you are doing.
