

**I.B.A.**  
**CHAMPIONSHIP NIGHT**

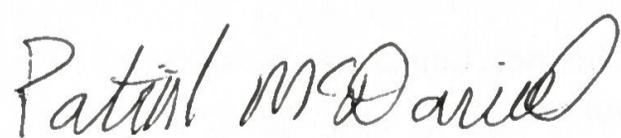

**MARCH 12, 2022**

Congratulations to the eight teams that will be playing in their respective league championship game. Each of the teams showed that hard work and teamwork pays off. Tonight, will be a night that you will remember, and we wish you all good luck.

Congratulations to are three members of the 2022 class of the St. Ignatius of Antioch sports Hall of Fame Joe Callahan, Angela Valentine, and Lorraine Rakoczy. Each of you are role models for the youth of our community and perfect examples of what makes the I.B.A. so successful.

I want to thank all the coaches and volunteers for the time and effort you put into the I.B.A., you are what makes this such a great league. I also want to thank all the players and parents for participating this year. Especially those who have been with us over the past three years during these uncertain times. My hope like all of you is that next year we will be back to a normal season.

Thank You

WE WELCOME THESE 3 INDIVIDUALS INTO THE ST. IGNATIUS SPORTS HALL OF  
FAME CLASS OF 2022

**JOE CALLAHAN**

Joe began playing basketball in our Antioch league as a 3<sup>rd</sup> grader, for St. Peter Basilica. In 1982 while playing for Holy Cross in our varsity league Joe led his team to winning the championship. Joe attended St. Edward High School and played on our C.Y.O. High school team, coach by Jack Smith. As the starting point guard, Joe helped lead his team to an undefeated regular season and won the city championship, then leading the team to the state finals. After graduating from Bowling Green University, Joe returned home where he started coaching the St. Ignatius of Antioch High School C.Y.O. team. Joe was a competitive player and as a coach he imparted the competitiveness onto his players as well as very disciplined. In 1994 His team won the city championship and made another long run into the state tournament. As a player, coach, and mentor we are proud to welcome Joe into the St. Ignatius of Antioch sports Hall of Fame.

**LORRAINE RAKOCZY**

Lorraine has been involved in our athletic program for over 30 years, first as a coach for the Villanova Lady Wildcats, then in 2007 becoming the girls' varsity league commissioner which duties she still performs today. Lorraine not only volunteers with putting together our yearly Night at the Races fund raiser but has volunteered for many of the parish's events and runs our P.S.R. program. In the 1980's Lorraine started and continues to run our women's volleyball program which plays on Wednesday nights. Lorraine has also given her time and talents to programs outside of St. Ignatius. Lorraine had coached for many years a girls baseball team in the West Denison League, as well as served on many committees and as the Commissioner of the senior girl's league. It is because of all your time, talent and effort as a coach, commissioner, volunteer, and an advocate for the youth in the community we proudly welcome you into the St. Ignatius of Antioch sports Hall of Fame.

**Angela Valentine**

Angela played in our girls' varsity league, which was still in its infancy, unlike now girls couldn't play until the 5<sup>th</sup> grade. When Angela came to sign up her daughter in the I.B.A. and found out there was an opening for a coach she jumped at the opportunity. As a coach Angela had an infectious attitude which spilled over to her team. Angela coached in our Antioch league where she instilled in the players that winning was nice but having fun was the name of the game. Sadly, on September 4, 2017, Angela was taken from us. While your time with us was short for volunteering as a coach, your enthusiasm for the game of basketball, and being a mentor to our youth of our community we proudly welcome Angela posthumously into the St. Ignatius of Antioch Sports Hall of Fame.
